Christian Service Grant

Dear Pastor/Church Ministry Leader,

Sharing your heart for the advancement of the gospel through Christ-centered ministry, the Baptist Foundation of Illinois invites you to apply for a Christian Service Grant.

Grants are awarded annually to Illinois ministry-related organizations who could make a greater spiritual impact with additional funds. This year's grant amount totals \$1,000.

If you, or a ministry outreach of your church, would like to apply for a Christian Service Grant, please write a summary of your ministry, share your vision, and indicate how receiving this grant would help further carry forth your work. Please send your request by October 15, 2017 to sheila.jessen@baptistfoundationil.org or mail to:
